

LOVE IS FOR EVERYONE EVERYWHERE

ASYLUM:

LGBT (lesbian, gay, bisexual and transgender) people are being persecuted and their relationships outlawed in over 70 countries, with the death penalty in force in more than 7. LGBT people who flee violence and persecution need our protection and compassion. However, at present they face an asylum system that fails LGBT people who seek safety and is 'marred by inhumanity in its treatment of the vulnerable' (Independent Asylum Commission, 2008).
